relevant skills

I am readily familiar with the following software:

CelAction 2D
Adobe Photoshop
Adobe Illustrator

I also have a working knowledge of Adobe Flash and ToonBoom.

additional interests/hobbies

I adore the animated shorts of the 1930's, 40's and 50's – especially those of Chuck Jones, Bob Clampett and Tex Avery. I also have an enthusiastic love of mid-century animation design work from artists such as Mary Blair and the artists at UPA.

I also enjoy cooking, reading and watching comedy, collecting retro/classic adventure computer games and playing the guitar.
